

This fridge freezer from Bosch would be a welcome addition to your kitchen. It has a 279 litre capacity and holds 15 bags of food shopping, making it ideal for medium-sized households. The freezer is frost-free, so you'll never have the chore of manually defrosting, and has an estimated energy cost of £44.66 per year. It has Multi Airflow cooling which circulates air around the fridge cabinet to ensure food stays fresh. There's also a fast freeze technology, which rapidly cools the freezer when you add new food – great for the weekly food shop.

Dimensions (H)176.0 x (W)60.0 x (D)66.0
