

### **Top features:**

- Large oven cooks all your family meals
- CircoTherm heats your foods to perfection
- Easy to clean oven means less work for you

### **Versatile oven**

Whether you're preparing a snack for the kids, cooking a big dish for a get-together or just grilling some fresh fish for lunch, the Neff **N50 B3ACE4HN0B Slide&Hide Electric Oven** has six cooking functions to choose from. This versatile oven also has a large capacity of 71 litres giving you more than enough room for big bakes and family-sized roasts.

Clip-on rails make it easy to adjust the shelves, so that you can fit a variety of different sized dishes and pots into the oven to create delicious meals.

### **CircoTherm**

The Neff **B3ACE4HN0B**'s CircoTherm spreads heat around three levels in the oven simultaneously, so you can bake and roast at the same time, perfect for saving time and cooking dinner and dessert at once.

### **Easy to clean**

Cleaning ovens can take a lot of time. But with the **N50 B3ACE4HN0B Electric Oven**'s EasyClean interior, you can finally say goodbye to scrubbing away on your knees for ages. The Slide&Hide door gives you easy access and clip on telescopic rails mean you can move the shelves around without any fuss.
